

**Template for responses - Initial information gathering**

In considering - take account the Classification Principles of the INTOSAI Framework of Professional Pronouncements (IFPP) - <https://www.intosaifipp.org/ifpp/>

**Kindly give your input by 25 May 2022 to your respective Goal Chair**

By 'WG' we refer to all working groups, workstreams, subcommittees, task forces, projects groups or similar within the PSC, CBC and KSC.

***Ongoing projects / Identified planned new projects***

***New written products already planned or in process in the WG - other than draft pronouncements where the project proposal has been approved by FIPP<sup>1</sup>***

<b>New written products which may be helpful for individual SAIs and/or auditors</b>			
Name of the document	Brief description of the purpose of the document	May it be relevant to consider whether to include the document in the IFPP? (Yes/no)	Why? / Why not?

<b>New written products which serve <i>other purposes</i> than assisting individual SAIs and/or auditors</b>	
Name of the document	Brief description of the purpose of the document

***The need for updates of existing documents within the IFPP / Proposed withdrawal of documents within the IFPP***

**Written products previously developed by the WG**

<b>Existing pronouncements in the IFPP on <a href="http://www.issai.org">www.issai.org</a></b>			
Number and name of the INTOSAI-P / ISSAI / GUID	Has the WG currently any plans to revise the INTOSAI-P / ISSAI / GUID?	If yes: What year do you expect that the WG will provide a	If no: Is it relevant to consider whether to initiate a revision of the

<sup>1</sup> For draft pronouncements already in the pipeline for the IFPP all relevant information can be found in the project proposal approved by FIPP - see FIPP web page [For Working Groups](#). We do therefore not ask for input on these projects/drafts.

	(Yes/no)	project proposal to FIPP on this revision?	INTOSAI-P / ISSAI / GUID before 2025?

**Other relevant activities by the WG**

<b>Research work, information gathering, conceptual development and other activities undertaken by the working group</b>			
Name of the activity	Brief description of the purpose of the activity	May the activity eventually lead to or inform a future development of INTOSAI's professional pronouncements (INTOSAI-Ps / ISSAIs / GUIDs)? (Yes/no)	How? / Why not?
