- The agenda with the meeting material for the SDP Roundtable Meeting 22 November

## Morning session 9:30-12:30

**We discuss the output from the SDP Roundtable Meeting 22 November 2023 – how do FIPP plan the work in 2024**

Purpose and Output of this session: to ensure that FIPP is ready to support the SDP process in 2024 – looking ahead for the discussions at the PSC SC in June 2024 and beyond in order to secure a good progress of the new SDP with underlying projects – what to expect for the upstart of the initiatives – milestones – project groups – scoping of projects. Hereunder the development of relevant templates in cooperation with project groups (project proposals and drafting conventions).

## Lunch 12:30-13:30

## Afternoon session 13:30-16:30

**Evaluation on FIPP work in 2023**

Purpose and Output of this session: to explore what could be done better, what is good and could be transferred to new projects. To get a common understanding in FIPP of the roles of FIPP and what is expected to be a FIPP member.

## Summing up / AoB 16:30-17:00

A short summary/presentation from the [GUID 5101 FIPP LO](#) for preparations to FIPP discussion/appraisal/approval of an updated Exposure Draft for the FIPP January 2024 meeting. The draft will be distributed to FIPP members shortly after the November meeting.

Information from FIPP Chair: FIPP members and planned FIPP meetings for 2024.

**Concluding the meeting**
